WHOLESALE PRICE LIST

Gladiolus Bulbs

Brightside Gladiolus Gardens

Albert Lea, Minn.

The prices in this list are figured on a cash basis and do not include payment of postage or express charges. If you wish bulbs sent by parcel post be sure to include enough postage, and we recommend that you include enough and have them insured as we do not assume any risk in transit. The shipping weight of bulbs will average about as follows, per 100:

No. 1, 8 lbs.; No. 2, 5 lbs.; No. 3, 3 lbs.

Terms: 25% cash with order, balance before shipment, or bulbs will be sent C. O. D. 3% discount for full cash with order.

We shall try and meet all legitimate competition, except on the badly mixed stocks of some dealers.

We shall strive to maintain our reputation for furnishing clean, pure, young stock.

While we exert the greatest care to have everything true to name, we will not assume any responsibility for errors that may occur, other than to replace any stock that may prove untrue or refund amount received for same.

The stock of bulbs we offer is practically all one and two years old from the bulblets. A young vigorous bulb about one inch in size is worth more than a large old bulb.

Some of the standard varieties are omitted from this list because early orders have exhausted our stock and it is our policy to sell stock of our own growing.

We can furnish planting stock of most of the new varieties, at reasonable prices. Write for quotations on any requirements.

The following offers are made subject to prior sales:

Bulbs are priced unless otherwise noted by the 100. In lots of more than 250 of a variety deduct 10%, in lots of less than 25 add 10%.

No charge for packing.
